Graduate  
Aptitude  
Test in  
Engineering

**THE GATE**  
**ACADEMY**  
A Forum of IIT / IISc Graduates

## About The GATE Academy

Founded by Alumni of Indian Institute of Science (IISc.), Bangalore and Indian Institute of Technology (IITs). The GATE Academy offers comprehensive rigorous guidance for the Graduate Aptitude Test in Engineering (GATE), DRDO, PSUs etc. leading to admissions in masters program (M.Tech/ ME/ MS) and the various Government and Public Sector Jobs respectively.

# Your Gateway to Success

The GATE examination not only leads you to the prestigious M.E./M.Tech degree & PhD., but is also your window to a world of rewarding career opportunities.

## Financial Independence

The starting salary for an M.E./M.Tech could range from 7.2 lacs to 15 lacs per annum. Moreover, the M.Tech stipend of 96,000/- per annum more than covers the course fee of about 28,000/- helping you earn while you learn. Hence, the levels of financial independence and job security associated with an M.E./M.Tech are very high.

## Admission to the top colleges and universities

- GATE is mandatory for admission to postgraduate programs in top engineering colleges like the IISc, IITs and NITs
- A good GATE score will lead to scholarships in the various government engineering colleges in India
- The Indian Institute of Management (IIMs) consider the GATE score for admissions to their prestigious fellowship program (Ph.D in management)
- Universities abroad (Singapore, Germany and New Zealand) consider GATE score for admission to their M.S. program.
- GATE score is required for admissions to the highly acclaimed Post Graduate Diploma in Industrial Engineering (PGDIE) offered by the National Institute of Industrial Engineering (NITIE)
- Preferred qualification even for admission of self-financing students to PG programs
- Master's degree leads to specialization and cultivated and brings out best of your interest in a certain area which may lead to research / Ph.D

## An edge over those with a Bachelor's degree

Master degree holders are offered senior roles and better salaries as compared to those with a Bachelor's degree. They are also given preference when it comes to promotions, thereby facilitating career growth.

## Excellent Placements

Gate qualified students attract companies for campus placement.

Direct recruitment calls based on GATE scores for many Blue Chip PSUs like IOCL, BHEL, NTPC, BARC and many more

GATE candidates do exceedingly well in PSU / Govt. jobs entrance exams and technical interviews (10,000 vacancies)

Placement at R&D divisions of MNC firms such as Microsoft, Sun Microsystems, Syntel, Google and Yahoo are also fairly common

Junior Research Fellowship in CSIR Laboratories and CSIR sponsored projects require a GATE score

Some government organizations / PSU's (like BARC, IOCL etc.) prescribe GATE qualification as a requirement for applying to the post of a Scientist / Engineer

Masters degree is a must for those wishing to apply for Faculty/Research positions in educational Institutes and most of the R&D centers
